

How to pay for recreational fishing rights using a mobile phone

- Mobile payment service is available only in the networks and SIM cards of EMT, Elisa or Tele2.
- When making a mobile payment for fishing rights, you will receive instructions and a message about payment failure as well as the reasons for it by voice commands.
- When your fishing rights expire, a SMS reminder informing you about it will be sent to the mobile phone from which the payment was made.
- In the case of mobile payment, you will be charged extra for the SMS notification (0.19 EUR) and the SMS reminder (0.19 EUR) (the latter is not included when you purchase fishing rights for one day).
- In the case of mobile payment, your personal identification document will serve as a document confirming your payment for fishing rights.
- Fishing rights will become valid one hour after a mobile payment has been made and a respective SMS notification has been received.
- You can check the validity of your fishing rights at www.pilet.ee

When making a mobile payment for recreational fishing rights, you must enter a respective number combination and call (**do not send a SMS!**). Depending on the validity period of the fishing rights, the number combination must be entered as follows:

Number	Symbol	Code	Symbol	Date of birth
1312	*	400	*	0yyymmdd0000
		401		
		402		
		403		

yyymmdd - (yy – birth year, mm – birth month, dd – day of birth)

Code	400	401	402	403
Validity period	24 hours	7 days	182 days	365 days
Fee (with SMS notification and reminder)	1,19 €	3,38 €	13,38 €	20,38 €

After payment you will receive a confirmation message once the fishing rights become valid; when the recreational fishing rights expire, you will receive a notification about the expiring of the fishing rights.

Example (if you do not have a personal identification code). Date of birth **11.05.1969** and fishing rights for 6 months. The number combination would be as follows:

1312*402*0**690511**0000
